------------Modules------------

Level 04 Modules
 1: Software Development Principles 01
 2: Communication & Career Managment
 3: Computer System Fundamentals
 4: Information and Data Modeling
 5: Information Systems
 6: Software Development Principles 02

Level 05 Modules
 7: Object Oriented Programming
 8: Client Server Architecture
 9: System Development
10: Database Systems
11: Algorithms
12: Optional module

Level 06 Modules
13: Computer Science Project
14: Reasoning about Programs
15: Security & Forencis
16: Optional module 01
17: Optional module 01

Enter the module number to get the module report :

Report of Module Number : 1

Students who have passed in First Attempt
Index    Name

Students who have passed in Second Attempt(Resit of Initial Attempt)
Index    Name
1     Raveen Rathnayake

Students who have passed in Third Attempt(Retake)
Index    Name

Students who have passed in fourth Attempt(Resit of Retake))
Index    Name

Students who have failed in all four attempt(Excluded)
Index    Name

Students who have passed the module in 1st attempt and excluded from level 04
(Excluded because student has failed more than 60 credits at the level)
Index    Name

Students who have failed the module in 1st attempt and excluded from level 04
(Excluded because student has failed more than 60 credits at the level)
Index    Name
